IV International Scientific and Practical Conference  
(November 16-18, 2022)

**Armavir State Pedagogical University** and the **Krasnodar Regional Orthodox Sports and Patriotic Public Organization "POWER OF THE LOGOS"** invite leading scientists and practitioners interested in spirituality in sports to take part in the work of the scientific and practical conference, which is planned on 16-18 November 2022 (*take part in person, in absentia or remotely*).

*The purpose* of the conference is to attract specialists from various fields of knowledge (philosophy, political science, theology, history, pedagogy, psychology, sociology, cultural studies, theory and methodology of physical culture and sports, sociocultural activities, etc.) to a constructive interdisciplinary dialogue on the problems of sports spirituality, to discuss theoretical and practical issues of the development of spirituality in physical culture and sports, in secular and religious, spiritual and moral, as well as civil and patriotic education.

**Working languages of the conference: Russian and English** (video and written reports are accepted in the native language of the speaker, provided with an abstract of up to 1000 words in English; reports of students, undergraduates and graduate students in collaboration with the supervisor are welcome).

Based on the results of the conference, it is planned to publish a collection of materials (ISBN, RSCI). Separately, it is planned to publish and distribute in free access a collection of abstracts (abstracts) of reports by leading experts in English, which, on a competitive basis, can include the best works of students and young scientists.
